“The DMRR [Defence Mid-point Rebalancing Review] process was robust, analytically sound, and data-driven. It has been identified as an exemplar for other Government departments to follow.”

Hon. Dr Jonathan Coleman,
Minister of Defence and Minister of State Services,
New Zealand

“Overall, I was hugely impressed with the effectiveness of the Decision Conferencing process and would have no hesitation in recommending it and Catalyze to others in the MoD.”

Paul Blakiston,
UK MoD Naval Base Review Team Leader

Catalyze is a strategy consultancy, helping clients to prioritise and make robust sustainable decisions. We believe the best results are delivered through effective decision-making that engages people and aligns organisations. We have an established track record of enabling our clients to achieve results, whether it's improved shareholder value, a better planet or both.

Catalyze was founded in 2001 in conjunction with the London School of Economics and Political Science, applying techniques built on robust and validated decision theory. We support global clients from offices in the UK, USA and New Zealand.
